JUNIN HOSPITALS RECEIVED DONATIONS OF MEDICAL SUPPLIES AND OXYGEN TO FIGHT COVID-19

- *Enel Perú, along with the companies EGE Santa Ana and Peruana de Energía, donated more than **170 thousand soles** in medical supplies and oxygen balloons to the Julio César Demarini Regional Hospital and to the Central Rainforest and Tropical Diseases Hospital "Hugo Pesce Pescetto".*
- *The donated supplies were oxygen balloons, KN95 masks, protective glasses, infrared thermometers, sphygmomanometers, disposable gloves, liquid soap, gel alcohol, among others.*

Junin, June 25th, 2020.

Continuing with the support to the health system to face the COVID-19 sanitary emergency, Enel Perú, along with the companies EGE Santa Ana and Peruana de Energía, has donated medical supplies to the Julio César Demarini Regional Hospital and the Central Rainforest and Tropical Diseases Hospital "Hugo Pesce Pescetto".

The donation made to the Julio César Demarini Regional Hospital consisted of 20 oxygen balloons of 10 m³, 3,000 KN95 masks, 50 sets of sheets, 3,000 disposable scrubs, 3,000 three-layer and three-fold masks, 150 protective lenses, 10 thermometers Infrared, 5 digital sphygmomanometers, 1,000 pairs of disposable gloves, 150 units of liquid soap and 150 units of alcohol gel. Likewise, 20 10 m³ oxygen balloons were donated to the Central Forest and Tropical Diseases Hospital "Hugo Pesce Pescetto",

With this donation, both hospitals will have the necessary equipment for medical personnel to continue caring for patients affected by COVID-19 in the region.

This initiative adds up to others already carried out by Enel Perú in support of the national health system in order to combat the spread of COVID-19 in the country.
