

## PRESS RELEASE

### ENEL LAUNCHED ELECTRICITY E-BILLS IN LIMA AND CALLAO

- *The initiative will help to reduce up to 40 tons of paper and save close to 250,000 liters of water.*
- *All customers signing up at [www.eneldistribucion.pe](http://www.eneldistribucion.pe) will automatically take part in the raffle of 10 World Cup packs.*

**Lima, May 8<sup>th</sup>, 2018.** The electricity bill can now be sent to your electronic mail. Enel Distribución Perú has launched the electronic bill service for its 1,400,000 customers in Lima and Callao. Signup is very simple, you only need to go to our website [www.eneldistribucion.pe](http://www.eneldistribucion.pe), click on the campaign banner and fill out your information. You can also call our customer service line Fonocliente at 517-1717 or go to one of our service centers.

You do not need to be the account holder to sign up. You only need to provide the customer number, name and last names, ID card, mobile number and electronic mail where you want to be sent the e-bill, which will have the same characteristics as the hard copy. It should be noted that the customer will continue to receive the hard copy of the bill.

“With this initiative we will provide a more efficient service in line with the digital transformation undertaken by the company, and it also reflects our commitment with environmental care, as we will be able to gradually reduce the use of up to 40 tons of paper per year and save close to 250,000 liters of water,” said **Karen Manrique**, representative of Market in Enel Peru.

All customers signing up until June 10<sup>th</sup> will automatically participate in the raffle of 10 World Cup packs. Each pack contains one 58” TV and four official t-shirts of the Peruvian soccer team. The raffle will take place on Monday June 11<sup>th</sup>.
